

## Parental Questionnaire

We have collated below the results of the Parental Questionnaire completed during Parents' evenings and want to thank you for the important feedback you gave us. We have evaluated the provision we are providing for both you and your child / children.

We had 248 families who returned the Questionnaire.

We would like to thank you for the kind words, we really appreciate this. We will continue to work hard for your children and for all the families and are going to work on the areas you have said we need to improve on. These will be included in our Development Plans.

\*one questionnaire did not say either way

A few parents omitted answering all of the questions. Therefore statistics are based on those questions answered.

Please see below comments made by parents:

- Q12 No experience of this so cannot comment
- Too many daily emails – collate the information and send one big one
- Too much homework but the weekly projects seem to work better
- Although the nature of the homework is mostly appropriate, the quantity can on occasion be excessive
- My child has settled in well since moving in August 2018. Any concerns we have had have been dealt with quickly by the class teacher. We are very happy over all with the school.
- Q12 & Q14 Haven't had any concerns and are not aware of any bullying to date
- Fantastic school ☺
- Thank you ☺
- Fantastic school, great teachers, welcoming environment
- Super school, very happy
- Sometimes difficult to communicate with teacher, it would be good to be able to email any concerns. I work 13 hour shifts so not able to always be there at the end of the day to raise concerns
- Thank you for all you do here, we love this school for our children
- Moving my daughter to Cranwell has been the best decision we made
- Very happy and always have been
- Great stuff thanks
- Brilliant school, Afterschool club is excellent. Highly recommend. Two very happy daughters
- Fantastic school, well done all of you
- Very happy ☺
- Some children repeatedly picked to represent the school for sporting events, some children given an equal chance are told names are drawn from a hat but always the same names that get drawn
- Please could we know the teacher situation in year 1, parents are asking when a teacher will returning to the playground but no info from the school regarding this.
- Small issues, reading assessments need to be done more often

- Occasionally there is unavoidable disruption. (Q11)
- Would like the morning snack that we provide to vary (Pancakes/malt loaf/savoury muffins) as sometimes my daughter only has a small breakfast at home but hungry by mid-morning.
- As a parent of a child with a disability, I cannot thank or recommend Cranwell Primary School enough for all they do. Mr Wilson, Mrs Lawson, Mrs Olsen, Donna and everyone who looks after and supports my child are absolutely amazing kind and thoughtful people. My daughter is so happy at this school ☺. This school, the staff and all who work here go way above their Jobs. We love Cranwell.
- Seem to have a lot of homework
- SENCO support is fantastic!
- My daughter likes going to school
- Athletics causes us issues as I was taught differently to my daughter and if she ask for help I'm not sure I'm doing it right and it causes us arguments
- Excellent school
- Athletics is a struggle for our son, the concentration required is beyond his personnel limits which are often an area of frustration for him.
- The school is extremely supportive, all staff are friendly. Both kids are thriving!
- After a rough few weeks before Christmas my daughter has finally settled again and seems happier than ever, she has a smile on her face and enjoys coming to school- Thank you Cranwell
- Excellent so far
- More writing for homework would improve spelling
- I feel that some of the homework tasks are beyond the capabilities of a 6 year old without intensive adult input and support, e.g. make a wreath, cook African food etc. While my daughter has enjoyed the activity itself, it has involved quite a bit of parental prep-work and use of family time and I sometimes feel if the child is not able to do a task then it is perhaps ending up as homework for the parent! I'm committed to supporting the extension of learning she does at school and we put full effort in to the tasks, but I do feel some of them are a little advanced for her age group capabilities.
- At times I think there is too much homework, not that my child doesn't complete it. It impacts on weekends due to both working, also weekdays as my child engages in activities after school. My child reads every night independently.
- Our son has improved so much from the last school, we as a family are very happy with the school and support we receive
- Thank you from the bottom of my heart
- Very happy with Cranwell Primary School. Fantastic team
- My daughter has loved her time at Cranwell Primary and will miss it next year
- Couldn't wish for a better school!! Fantastic school, staff and students. Thank you
- Excellent support our daughter is given. Thank you
- Homework sometimes a bit much. Great that both parents are contacted in cases of divorce/separation
- If under SENCO it would be good to meet regularly, not just for parents evening
- Cannot thank the school enough for the help they have given us this year
- Really very good standard in all aspects. Grateful thanks to all staff for their hard work helping an international pupil feel like home and get him understanding the English language. With appreciation to his teachers
- Thank you
- Great staff, great learning environment
- Excellent in every way
- Too many parentmails sent home. Short notice with cancellations of after school club. Reception staff not always approachable
- Never had to address any bullying
- Very pleased overall
- Very happy with the progress and support my child receives

Thank you to all of the parents who completed the questionnaire.
