

PE and Sports Premium – End of Year Report 2020/21

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that we should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that our school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Gold School Games Mark retained for a year due to our Platinum School Games Mark application being placed on hold again due to the school closures. • 20 different sporting activities have been attended • 90% of KS2 / 75% of school roll have represented the school at a competition or festival 	<ol style="list-style-type: none"> 1. Further development of the curriculum to include Active Maths in order to improve teaching and learning – see Heatmap 2. Continue to target activities for the least active children such as change4life clubs and inter-school festivals 3. Achieve the Platinum School Games Mark 2021/22

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	81% (based on swimming records from Y4 due to school closures)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	60% (based on swimming records from Y4 due to school closure)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	60% (based on swimming records from Y4 due to school closures)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No.
