## PROGRESSION IN FRACTIONS B (Multiplication and Division) YEAR 5

| Strand | What do I already know? | What am I going to be learning? | What will I learn next? |
| :--- | :--- | :--- | :--- |
| Multiplication <br> and division of <br> fractions | Multiplication and division of whole numbers KS1 and 2. | multiply proper fractions and mixed <br> numbers by whole numbers, supported <br> by materials and diagrams | multiply simple pairs of proper fractions, <br> writing the answer in its simplest form (e.g. <br> $1 / 4 \times 1 / 2=1 / 8)$ <br> divide proper fractions by whole numbers (e.g. <br> $1 / 3 \div 2=1 / 6$ ) |
| Problem <br> solving | Solve problems involving fractions $-Y 3$ <br> solve problems involving increasingly harder fractions to calculate <br> quantities, and fractions to divide quantities, including non-unit fractions <br> where the answer is a whole number - Y4 <br> solve simple measure and money problems involving fractions - Y4 | Solve problems involving fractions (and <br> decimals). |  |
| Vocabulary | Equivalent, improper, mixed number, compare, order, greatest, smallest, ascending, descending, numerator, denominator, integer, multiple, factor, common, product. |  |  |
