

GARDEN FUN

It's a great time of year to press petals, flowers, and leaves.

<https://www.nhm.ac.uk/discover/how-to-press-flowers.html> Follow the link to national history museum which has great videos to watch and lots of fun things to do with your pressed leaves, petals and flowers.

Alternatively, if you need a reminder on how to press flowers refer to year 3 creative ideas.

If you use PVA glue it will dry clear and shiny and won't be visible when you've finished.

MAKE A CARD OR GIFT FOR SOMEONE SPECIAL

There are many ideas on twinkle and templates you can print out and use.

person.

Or have fun designing and creating your own.

Make a phone holder, by decorating a toilet roll! Remember the more home made it looks the more it shows you've spent time making it for that special

Colour and cut out bits of paper, or cut illustrations out from old magazines, catalogues, colouring books or puzzle books. Ask your parents if they have any old photo's you can use to make a photo card for that special person.

Make your own or decorate an old photo frame.

It's Fathers' day on the 21st of JUNE so maybe you could give it to someone on that day.

RECYCLED ART CREATIONS

Find out about these fantastic bottle fish sculptures.

"Yoshi the fish" was built to raise awareness about the damage by plastic materials to marine life. It was created in 2018, by Janardhan Havanje, an Indian artist and sculptor. Research your own artist or sculptor who uses recycled materials to create marvellous art.

Or have a go yourself!

These are sun catchers made from old plastic bottles.

Loo Roll Art Challenge!

Pinkfoot Gallery
22 Mar at 15:55 · 0

Join us with the Loo Roll Art Challenge! Wandering what to do with all those gorgeous little blank canvases clogging up your recycling bin? Why not turn them into art. Post your creations tagging #pinkfootloolchallenge. It doesn't matter if you're not creative. It can be anything, graffiti, cartoons, expressions of rage, love, however, frustration... we could go on but we'd love to see some artists have a go too and children please - let your creative mind explode! **12P 24 North Norfolk Living Magazine BBC News Jeremy Vine @BBCRadio2 Red Hare Publishing Ltd BBC Breakfast**

...so, we're all stuck indoors and might be getting a little bored. Time to get your creative hat on!

Hopefully your household successfully got some toilet roll before it was all brought up!

The PINKFOOT GALLERY have set a fun challenge for you to let your inner artist shine.

With some very basic equipment you can give this challenge a go, maybe even challenge your family to get involved too.

You can follow the hints and tips below or free-style it!

When you're finished you can submit your masterpiece to the collection by simply adding the hashtag

#pinkfootloolchallenge

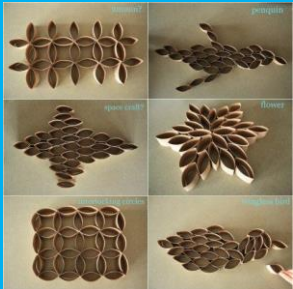

Check out the 'Pinkfoot Gallery' Facebook page on the link below:

Loo Roll Art Challenge!

Make a toilet roll family or replicas of your favourite characters.

These masterpieces have been made from pieces of cut up toilet/kitchen rolls.

BAKE AND CREATE

- **Nut-Free**
- **Vegetarian**

Makes: 10

Skill: easy

Cost: cheap

Prep: 20 min

Cooking: 15 min

Method

Preheat the oven to 190C, gas 5. Line a muffin tray with 10 paper muffin cases.

Place the sugar, butter, eggs, flour, baking powder and milk in a large bowl and mix with an electric whisk until pale and creamy.

Divide the mixture between the muffin cases and bake for 15-20 mins until risen, golden and firm to the touch. Transfer to a cooling rack. Leave to cool.

To make the buttercream, place the butter in a bowl and sift over the icing sugar. Beat until smooth.

Slice the tops off each cake and fill the cavities with a little buttercream and jam. Cut each sliced top in half and arrange on top of the filling to resemble butterfly wings. Dust lightly with icing sugar.

See the year three creative ideas sheet for a great, easy biscuit recipe.

MAKE MOSAICS

Be inspired by our very own 'Mrs. Errington' who is a fabulous mosaic artist.

Mrs. Errington, has broken and used bits of old tile to create these marvelous mosaics.

If you have any old tiles, CD's, crockery, etc., you and your family could have a go at this.

Alternatively use things found in and around your home.

Cut or rip bits from old magazines to make great mosaics.

MAKE YOUR OWN COLLAGE MOOD BOARD

How are you and your family feeling today?

Make your own collage mood board. There are lots of collage mood board ideas online or if you wish you could even create it all online.

Use bits from old magazines, draw, use old photographs, wrappers from food products. Anything goes! Remember, we all experience emotions at different times and it's good to talk about our

emotions so that we can understand how we are feeling.
