

## GARDEN FUN

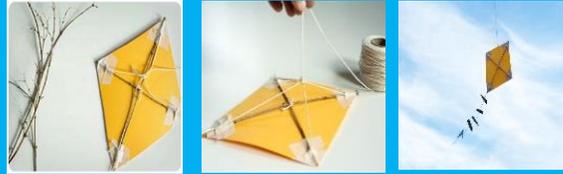

It's a great time of year to press petals, flowers, and leaves.

<https://www.nhm.ac.uk/discover/how-to-press-flowers.html> Follow the link to national history museum which has great videos to watch and lots of fun things to do with your pressed leaves, petals and flowers. Alternatively, for instant pressed items, place the petals between pieces of paper and ask an adult to help you iron over it.

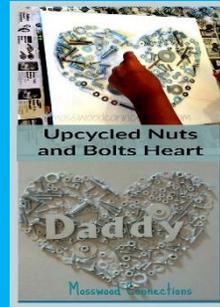

If you use PVA glue it will dry clear and shiny and won't be visible when you've finished. They make great gifts for your family.

## MAKE A CARD OR GIFT FOR SOMEONE SPECIAL

Make a kite to fly with someone special. There are many ideas on twinkle and templates you can print out and use.

Alternatively, you may want to design and create your own. Remember the more home made it looks the more it shows you've spent time making it for that special person.

This heart has been made from old nuts and bolts.

Colour and cut out bits of paper, or cut out from old magazines, colouring, books or puzzle books. Ask your parents if they have any old photo's you can use to make a photo card for that special person.

Make your own or decorate an old photo frame.

It's Fathers' day on the 21<sup>st</sup> of JUNE so maybe you could give it to someone on that day.

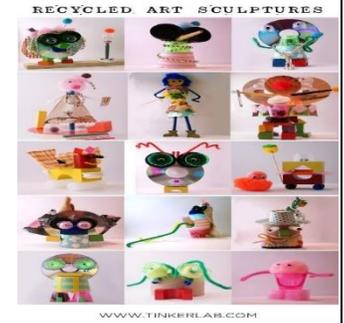

## RECYCLED ART CREATIONS

"Yoshi the fish" was built to raise awareness about the damage by plastic materials to marine life. It was created in 2018, by Janardhan Havanje, an Indian artist and

sculptor. Research your own artist or sculptor who uses recycled materials to create marvellous art.

Or have a go yourself!

## MAKE MOSAICS

Be inspired by our very own 'Mrs. Errington' who is a fabulous mosaic artist.

Mrs. Errington has broken and used bits of old tile to create these marvelous mosaics.

If you have any old tiles, CD's, crockery, etc., you and your family

could have a go at this.

Or you could cut up or rip up, pieces of paper, from old magazines to make great mosaics.
