

Hello everyone!

Hope you are all well. Thank you to all of you who have emailed me some of your fantastic work! A massive well done for maintaining your learning at home. Keep up your reading, writing and number work. I hope you enjoyed your home learning tasks over the last couple of weeks. This week, there is music, PE and more fun literacy and numeracy activities for you to try. This will be the last home learning pack for you to enjoy until the summer break. However, you can still continue to access BBC bitesize, Mathletics and Education City to continue your learning at home. Remember, regular bite size learning and daily reading will go a long way in improving and maintaining your knowledge and skills. Enjoy the sun shine, take care of yourselves. Miss Clark & Miss Farmer.

<p style="text-align: center;"><u>MUSIC</u></p> <p style="text-align: center;">Can you learn the song 'How far I'll go' from movie 'Moana'?</p> <p>I have included the lyrics for you and here is a youtube link to the song: https://www.youtube.com/watch?v=i66p0_wZ9F0 You can listen to the music and sing along. Challenge yourself to memorise the words and sing!</p> <p style="text-align: center;">If you wish, you can perform the song and send us a recording too! Have fun!</p>	<p style="text-align: center;"><u>Maths</u></p> <p>Data and statistics. We explored briefly data and how to draw bar charts before the lockdown. Let's revisit that. Please go to twinkl and refresh your learning on pictogram, block charts and tally. https://www.twinkl.co.uk/resource/planit-maths-y2-statistics-simple-diagrams-lesson-pack-3-tp-n-2546478</p> <p>Discuss at home: What is the difference between a pictogram and a block graph or block chart? Next, can you try these activity sheets: https://www.twinkl.co.uk/resource/t2-m-1390-new-interpreting-pictograms-activity-sheets https://www.twinkl.co.uk/resource/t2-m-250-favourite-colour-tally-and-bar-chart-worksheets</p>	<p style="text-align: center;"><u>PSHE: Reflections</u></p> <p>This school year has been rather unprecedented on so many levels. Many of you will have a story to tell about what happened since the school closures in March.</p> <p>Can you spend some time reflecting on your journey since the start of the school closure and write a little story, poem or song? Include your feelings or the various things you did.</p> <p>You can write this journey as a letter for your teachers and friends and illustrate your work too. We look forward to reading your work. ☺</p>
<p style="text-align: center;"><u>P.E.</u></p> <p style="text-align: center;">How many of these can you do in 1 minute?</p> <ol style="list-style-type: none"> 1. Burpees 2. Starjumps 3. Knee high runs 4. Hop on one leg (right leg) 5. Hop on the other leg (left leg) <p>Now, repeat 1-5 again.</p> <p>How many times can you repeat steps 1-5? Don't give up easily ☺</p>	<p style="text-align: center;"><u>Maths Part 2:</u> <u>Data Collection and Representation</u></p> <p>Next, try the pictogram challenge included in the extra resources section. Interpret pictograms with scales of 2, 5 and 10</p> <p>Question: What does scales of 2, 5 or 10 mean? Clue: Each shape or picture might represent 2 or more people.</p> <p>So when you count, you need to take extra care. Have fun with this challenge. You can do it!</p>	<p style="text-align: center;"><u>Literacy: Superheroes</u></p> <p>In addition to the Literacy activities in Education city and grammar sheets in twinkl, please download the story booklet on 'Superheroes' from talk4writing.com that we have included.</p> <p>Read the story carefully, a few times if needed, to gain fluency before answering the comprehension questions.</p> <p>You can also listen to an audio recording of this story here:</p> <p>https://soundcloud.com/talkforwriting/playground/s-UJObMpzawKu</p>
